

Food & Wine Soiree and Auction 2011

We hope you'll join us for an unforgettable evening of food, wine and incredible prize packages. Even if you can't be there, you'll want a chance to win exclusive prizes from our neighbors, parents and especially our Morahs and children.

Silent Auction

Our children have been working with their Morah's on beautiful class projects. Each class has crafted a bulletin board that your child will be so proud to hang in his or her own room. We will be accepting silent bids in advance and at the event - highest bid will take their class masterpiece home.

Also available in the silent auction is our annual auction favorite - Morah Esther Sitorsky's famous *Morah Doll*. Your child will cherish this real *American Girl* doll, dressed in morah clothes lovingly crafted by Morah Esther. Includes original *American Girl* clothing and accessories too.

Chinese Auction

Buy one ticket or sheets of tickets - the more you buy, the cheaper they are - for chances to win the prizes of your choosing. Every prize package will have a separate container and one ticket will be drawn from each. So many chances to win!!
